

Car parking rules

The Centre along with 5 acre site is privately owned and run by a Management Committee reporting to the trustees on behalf of the village.

The trustees currently have no issues with the local residents using the car park but please be aware of the following points:

- **People using the hall be events or classes may use the car park**
- **Please ensure cars do not obstruct access i.e. no parking near main entrance and ramp**
- **To park vehicles overnight/weekends residents are required to be members of the Kirkby-in-Furness Community Centre Development Draw Fund.**
- **Vehicles not in regular use must not be stored in the car park. (This includes motor homes and caravans).**
- **All vehicles parked in the car park must have a current MOT and vehicle excise duty paid.**
- **The Centre cannot be held responsible for any damage to vehicles.**
